

# KIDS OF NATURE

Travel & Lifestyle that Set You Free

---

# WHAT?

---

- Bespoke family travel
- South Africa and Namibia
- From A - Z
- Unique for every family
- De client delegates
- Pure nature
- Local experiences
- Unplugging
- Real connection
- Authentic
- Quality time together

# STORY?

---

"After my 4-year expedition from Brussels to South Africa, my children were born in Cape Town and we continued to travel through Africa as a family. First with little ones, now with teenagers. Traveling in the wilderness on a regular basis is a lifestyle that brings us relief and peace. Via Kids of Nature I now also like to help other families to unplug and experience a real connection with each other, in unspoiled nature."

# WHO?
